RE: TORRES, JUAN W.
USDC Cr. Cs. No.: 00-00003-001

TRAVEL REQUEST INFORMATION

Dear Judge Munson:

On September 6, 2000, Juan W. Torres was sentenced to 36 months imprisonment followed by eight years supervised release with conditions to include that he refrain from any use of alcoholic beverages, seek and maintain gainful employment, participate in drug treatment, and perform 300 hours of community service at the direction of the United States Probation Office. Mr. Torres was ordered to pay \$200 special assessment fee, which he satisfied on August 8, 2003. He completed drug treatment on August 4, 2004. Mr. Torres' supervised release commenced on July 23, 2003 and will terminate on July 22, 2011.

On January 4, 2007, Mr. Torres reported to this officer that he returned from his medical treatment in Hawaii earlier than expected. His doctor recommended that he remain in Hawaii an additional four months, however, Mr. Torres decided to return home to Saipan. He suffers for a terminal condition which requires bi-monthly chemotherapy sessions, which he may receive in Guam. Mr. Torres submitted a request to travel to Guam on January 9, 2007 for two to three days for his first chemotherapy session. Travel arrangements are being made through the Commonwealth Health Center's Medical Referral Office. After this first visit, Mr. Torres will have a better understanding of how often he will need to return to Guam for future sessions.
